Please find the ONS 43rd Annual Congress Exhibitor Services Kit on the Exhibitor Resources Page of the Congress website. The manual is composed of ONS Show Management Forms, Shepard Forms, Housing and Registration information, and Utilities and Additional Services for your ordering needs. All forms are important to the success of your exhibit. Should you have any questions regarding the manual or any exhibitor services, please contact Shepard Expo Customer Service at 410-737-9270 or baltimore@shepardes.com. Please note: at this time all Congress payments are past due. In order to access the service kit your balance must be paid in full.

Exhibitor Registration and Housing

Exhibitor badge registration and housing are integrated into one website. Experient is the official housing provider for 2018 Annual Congress. ONS has worked diligently with the hotels in Washington D.C. to establish room blocks for attendees and exhibitors. Improper solicitation of hotel reservations from any company or housing provider other than Experient is not approved by ONS. Reservations made by unaffiliated organizations may appear to be for lower rates; however they may be illegitimate, have unreasonable cancellation or change penalties, or be completely non-refundable. Please be aware of, and report any unauthorized solicitation to ONS.

To register for badges and reserve hotel rooms please click here. If you have any questions or need help accessing the website, registering, or booking housing, please e-mail onsocexh@experient-inc.com.
